The Kentucky Arborists' Association (KAA) welcomes new members to the Board of Directors!

Dear Members,

Wow, what a great conference! February seems like so long ago now that spring has arrived in the Bluegrass State. However, the good memories of meeting with fellow professionals are still fresh in my mind! Isn't the energy just awesome when "Tree People" get together?

The Board of Directors went right back to work at our March 19th board meeting, planning for this fall's Tree Climbing Championship and 2025 Annual Conference. We formed our committees, named the chairs, and started working on my four key priorities for the next two years:

1. Better define roles and responsibilities of the Board of Directors and committees.
2. Continue the great work past Presidents and Boards have done.
3. Grow the membership.
4. Promote the profession of Arborist and Arboriculture in Kentucky and elsewhere.
